The Honorable Michael J. Dunleavy  
Governor of Alaska  
Alaska State Capitol  
Juneau, AK 99801

Senators Murkowski and Sullivan, Congressman Young and Governor Dunleavy:

On behalf of the Alaska Alliance for Cruise Travel (AlaskaACT) and it's almost 500 individual members, we want to thank you for your tireless work and the countless hours you've spent fighting to get the Alaska cruise industry back in the water this summer.

After the devastation of the 2020 visitor season which destroyed Alaska's economy, thousands of tourism jobs, livelihoods, and way of life, the thought of going through another year without our crucial cruise industry is a nightmare no one could have thought possible. Although we still have many hurdles with the Center for Disease Control, Passenger Vessel Service Act, and unfriendly state senators, knowing our Governor and our Congressional Delegation is constantly fighting for us brings us hope and comfort.

We understand there are still hurdles and the work is far from over. You have our endless gratitude and support as you continue to fight for Alaska's tourism industry. If we can offer any assistance, please don't hesitate to reach out to any of us.

Sincerely,

*Carol C Fraser*
